

Great Lakes Peace Camp Kigali, Rwanda July 30 – Aug 4 2019

Friendship and Learning in Conflict Transformation for Youth Catalysts for Peace

At Peace Camp, you will meet youth from other countries in the Great Lakes Region – Rwanda, DR Congo, Burundi, Uganda and Tanzania - who share your passion for peace and want to be a part of leading social change.

You will receive hands-on skills training in: conflict transformation

through peer mediation; art therapy and a biblical approach to trauma counseling; social entrepreneurship; and the use of sports, arts, and games in peacebuilding.

It's an opportunity to make new friends. Experience new things. Relax and have some fun. To learn

more about yourself and your talents. Join a movement of youth who are building peace, love and understanding across borders.

Peace Camp is for youth between the ages of 16 – 25. Apply today as limited scholarships are available for youth who live in the Great Lakes Region.

Believing in the power of story to unite and inspire

Peace Camp is offered by A Peace of Life, a youth-led peace social enterprise in Africa. We're committed to educating and empowering youth impacted by

poverty and violence in Rwanda, DR Congo & the Great Lakes Region – an area with a tragic legacy of genocide, war and unrest. We believe youth have the greatest potential to be catalysts for peace. Join us!
